As our summer is closing out, we can take a quick look back to see the fun we had at Gulf Coast Sailing Club with the coronavirus pandemic swirling around us. We had a terrific Tequila race season with a lot of boats enjoying the Sundays on the water. Thank you Frank Brown and Jeff Gage for a great series! We also had some fun sailing at the Sugden Regional Park on their Precision 15s and Hobie Cats. From racing to building sailing skills, the staff of the Sugden Sailing Center did a great job of entertaining and teaching at the same time. More of these sailing opportunities will be available soon, so keep your eye open for announcements as they fill up fast! Many thanks to Jerry Watkins for organizing these sailing opportunities for our members.

Now that we move towards our seasonal calendar, we have two regattas in the month of October. The Boat of the Year Competition kicks off with the Sunnyside Regatta October 2-4. Later in the month, we will have the Naples Commodore's Cup on October 24th. These are both fun events, so get your registrations in quickly! Our cruising events will also start very soon, so we are looking forward to fun sailing and raft-ups.

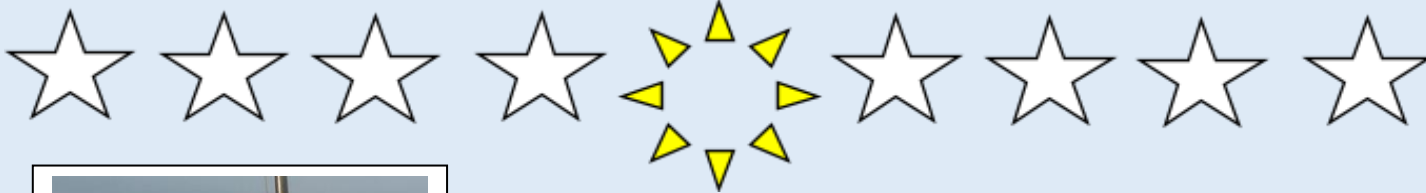

This month, we will again have our monthly membership meeting at Harold's Place on October 14th. Come early to grab some food and drink and we will distribute the 2019-2020 Boat of the Year Awards during our meeting. For those that are unable to attend in person, look for a Zoom invite and join in. Your Board of Directors is busy finding ways to increase the value of your club to its members and welcome your input. Let us know what you think would improve your experiences!

2020/2021 Season

Southwest Florida Inter-Club

GCSC Fleet Captain Cruising – Rick Reed

Jenn and I are back in Florida. Fall has arrived in Massachusetts and *Makana* is resting, ready for the winter. Unfortunately, SAMI had to cancel their Sept 12th Anchoring Event at Smokehouse Bay. No, not a Covid 19 issue but as all of you who are in Florida are aware, hurricane Sally dumped several inches of rain on Marco that weekend.

GCSC has had a great season with their Tequila pursuit races with up to a dozen boats participating and fun sailing events at Sugden. These are obviously tough times to hold cruising events but Florida offers more opportunity than many other destinations. For example, the Bahamas are still struggling. The September issue of *“Southernmost Boating Magazine”* reported that you can sail to the Bahamas (not Grand Bahama Island) if you have a test 48 hours before arriving but there is considerable paperwork and “fines for not wearing masks are \$200, a period of one-month imprisonment, or both”.

The Cruising Committee is working hard to continue to move forward with the 2020/2021 cruising schedule and are developing options to comply with the Covid 19 regulations. The Governor has moved to Phase III reducing many restrictions but I am not sure if any of those changes affect boating. Here are a few of the upcoming events.

The **Annual Ladies Regatta** is scheduled for **Saturday November 21st**. Not a cruise but a fun pursuit race in Marco Island. Jenn and I participated last year. It was a great time.

The first cruising event is **Sunday Nov 29th SAMI Raft Up at Smokehouse Bay**. Anchoring or alternate locations are being considered to comply with the state regulations.

The next cruise is **MLK Weekend (January 16-18) at Pink Shell/Ft Myers Beach**. They are open and hosting boats. We have slips set aside for us.

Panther Key is scheduled for Patriots weekend (Feb 12-15).

Six boats have already made reservations at the Marlin Marina for the **March 12-15 Marathon Key Cruise**. Others are planning to anchor or grab a mooring.

Mark your calendars for these and other upcoming cruises. **For additional details and a full schedule of Cruising Events go to the Cruising Calendar section of GCSC website.**

Looking forward to cruising with you. Be safe.

Gulf Coast Sailing Club

We need your help to continue to provide the Sailing Events and Meetings that we all enjoy.

Sailing is a hobby not a job, but making it fun does require Volunteers to help plan and organize our activities.

Volunteers can work from home, on a boat or at an event. A fun way to meet other folks and be an active part of our sailing Community.

GCSC has a committee of experienced Volunteers that will help you every step of the way. We can help you select the volunteer activity that you will enjoy and fit your schedule. We can explain to you what is involved and then help with mentoring and support.

Some areas needing help:

- 1> Getting Speakers for Meetings
- 2> Help organizing Member Meetings
- 3> Help with Member Communication and Recruitment

Let's Keep it Fun! Please Contact any of the Members of our Volunteer Recruitment and Mentoring Committee for more information.

As you know but might not appreciate fully, the Gulf Coast Sailing Club exists because of its wonderful volunteers. Each year we, the club members, select officers from the membership to guide our club forward but many more volunteers are needed for the club to survive and thrive.

Tequila Racing Party –

Sunday, October 11th, 2020

10 am – at the NSYC

By Frank Brown, “Good day fellow sailors”

We had a perfect chamber of commerce day yesterday. However Chamber of Commerce does not mean good for sailors, we started out in 0 kn of wind and it slowly built. The wind reached a high of maybe 7 knots, and there was just tons of sun. Because of this lack of wind we decided to run the short course up to the pier out to an inflatable marker 2 miles offshore and back to Gordon's pass.

We ran the pursuit starts but because of the lack of wind it essentially had everybody starting at the same time. We sailed away from the line on a starboard tack but we could see off to the right near the shore that there was more wind there. Jay Roth in Bad Kitty what is the first to tack away closely followed by Eroica and T-Bone. Mae-B and No Name followed. Understand that in this kind of wind it took us 2 to 3 minutes to do a tack. But as we moved down the race course the wind picked up slowly to the five knot range.

At this point it was Bad Kitty, followed by T-bone, Eroica, Mae-B, No Name, and Tri'n to Fly. Mae-B passed Eroica on this leg and turned at the pier and T-bone was kind enough to sail on (I don't think they were listening to the radio) and let us take the lead in the monohulls. At this point Bad Kitty was probably half a mile ahead, T-bone and Mae-B fought it out to the inflatable marker with T-bone rounding about 30 seconds in front. They swapped leads three times down the leg to the finish with Mae-B coming in about 20 seconds ahead (after T-bone was playing around with Bad kitty). It was a great day on the water.

It's been a great season. Thanks to all the participants!

We are going to have an end of series party on Sunday, October 11 at the Naples Sailing & Yacht Club (NSYC). Because of the Covid pandemic there will not be a breakfast buffet as you are used to, instead the meals will be à la cart and the fee will be \$30 per plate. I would appreciate E-mails advising me of how many will be there.

TEQUILA SERIES

AT SUNRISE! ! !

WHAT DOES A TEQUILA SUNRISE MEAN TO YOU????

1. For Dennis & Jennifer Auray on their Beneteau 373 “NO NAME”, it means rising early, very early! Dennis volunteered to set the marks for the course to be sailed, allowing all participants to enjoy SUMMER SAILING in SW FL!
“NO NAME” departs the dock at dusk setting sail out to the GULF of MEXICO on a journey to strategically place inflated buoys identifying the course to be sailed today. Following the bi-weekly events “NO NAME” returns to those strategic locations to employ their MOB (MAN OVER-BOARD), skills while retrieving these inflated buoys for deflating, cleaning, and repacking for the following event.
2. For GCSC Frank Brown, director of regattas, the TEQUILA SUNRISE means having the ship in shape to depart the dock at SUNRISE for the sequential start of these events. Each participant has an assigned handicapped start time based on the West Florida Performance Handicap Rating System unique sailing value. Frank Brown advises all participants who have ever indicated an interest in these events: A. What the course to be sailed will be for the day. B. What their individual start time will be. C. Where the start will take place. D. What the route of the event will be for the event. E. What the

total distance of the various legs of that course will add up to. F. The VFH Channel to be monitored for all announcements regarding the event will be broadcast on.

3. For Patrick Evans it means a perception that has led to events offering an early morning TEQUILA SUNRISE to sailors from Marco Island to Cape Coral. As many as 16 boats participate in these bi-weekly events.
4. For Participants it means a series of SAILING events that were originally scheduled to start after Memorial Day weekend and continue until Labor Day weekend, **however**; due to the tremendous **fun** this series provided the requests for an extension has continued the series to October when the official BOTY “Boat Of The Year”, regatta schedule is kicked off by CMCS “Caloosahatchee Marching & Chowder Society” (Fort Myers sailing club), and the traditional “SUMMERSET REGATTA”!
5. Thanks to GCSC members Patrick and Josie Evans recognizing in 2016 that a summer series of SAILING events was missing from the GCSC summer activities schedule the TEQUILA SERIES of events was **RAISED**. Patrick led the way from 2016 until his physical health issues interrupted his leadership in the 2020 schedule. Thanks to Rear Commodore Jeff Gage and Director of Regattas Frank Brown for their teamwork task of promoting and organizing this summer series of “KEEP IT FUN” SAILING SERIES EVENTS!!

What a Wonderful FUN Summer Sunrise for all SW FL SAILIORS!

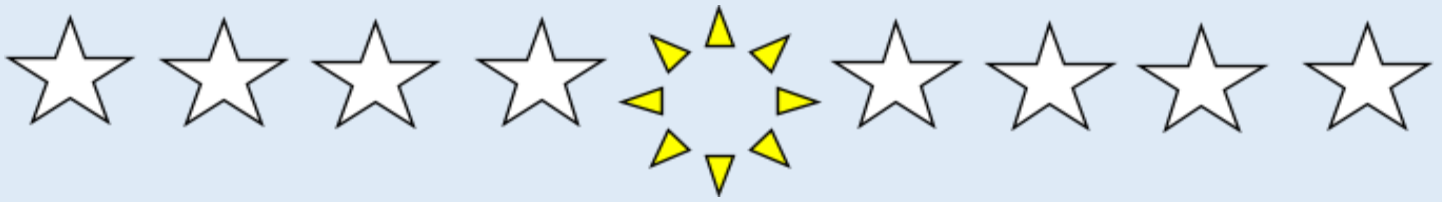

Thank You – Participants!!!

55th Annual CMCS Summerset Regatta

**The Caloosahatchee Marching and
Chowder Society (CMCS)
Announces**

The 55th Annual Summerset Regatta

October 2, 3 & 4, 2020

In the Gulf of Mexico, off Fort Myers Beach

***For more information, call Allen Fiske - 305-720-7494 regarding events
or James Gallagher 239-322-2523 to participate in the racing***

THE TRADITION CONTINUES

Fifty-five years ago, some local sailors placed a classified ad in the newspaper looking for "anyone interested in racing sailboats from Fort Myers Beach to Naples." That first race soon led to a yearly event all Southwest Florida sailors look forward to; the end of the summer celebration known as The SummerSet Regatta.

Last year, sailors from Charlotte Harbor to Marco Island joined in the fun, both racing and cruising, as yachts in seven different classes raced in Saturday's buoy races and Sunday's distance race off of Fort Myers Beach.

This year, The Caloosahatchee Marching and Chowder Society (CMCS) is very proud to present the 55th annual SummerSet Regatta. The October 2 - 4 weekend is full of racing fun events for the entire family.

The regatta's will be sailed off Fort Myers Beach, with beautiful beaches and view of the Gulf of Mexico sunset. The proximity to restaurants and shopping promises even more convenience and opportunities for the participants and their families to enjoy during this fun-filled weekend.

Cruisers have historically been a big part of the SummerSet experience. Those wishing to cruise to Fort Myers Beach are warmly welcomed and are encouraged to join in by sending in the entry form with appropriate cruising box checked. SummerSet offers a great opportunity for cruising and racing sailors to get together for a great weekend. A special Sunday Cruisers Race (for those that check the Cruisers race box on the entry form) has been planned. The event will be a shorter version of the Sunday Coastal Distance race and will be open to cruisers only. More information will be available in the CMCS Chowder Chatter and on the SummerSet website: www.SummerSetRegatta.com
